Since October 2001, 132 students from 28 different nationalities, coming from the 5 continents have attended the EFCM Master Course (out of which 34 students are attending the course)

Below is the geographic distribution of the 91 graduated students' jobs worldwide (November 2009)

EXAMINATION

Examination Students' performance in each topic is monitored by continuous assessment and is validated by a final exam. A Master level dissertation has to be developed – under both an academic tutor and a professional tutor supervision – and delivered in front of an international Commission at the end of the second year. At the end of the 2 years, UVSQ validates the 300 ECTS corresponding to the post-graduate diploma.
