Why study at isipca

- ISIPCA was created in 1970 by Jean-Jacques Guerlain, a descendant of Pierre-François-Pascal Guerlain, the founder of the iconic Guerlain House.
- ISIPCA is the world leading graduate school dedicated to Perfume, Cosmetics and Food Flavorings, affiliated to the Paris Ile-de-France Chamber of Commerce and Industry. Its training programs are dedicated to all related scientific and commercial professions.
- The quality of the ISIPCA undergraduate, graduate and postgraduate programs is highly recognized by academics, professional bodies and companies, around the world.
- It offers an innovative pedagogy including a platform and training services on Blackboard, free MOOCs, etc.
- ISIPCA is endowed with a renowned research and development center in physicochemical analysis and sensory analysis
- Its Library offers first-rate resources: 2,000 books and 8,000 periodical articles and sectoral market studies and more than 20 subscriptions to general press and specialized journals.
